

Let's understand your job a bit better ...

Share with us a **sketch** of your envisioned grass project and plans. The **more detail** you can volunteer on this drawing the **more accurate** our return budget guidance and coaching will be. *(Doesn't have to be to scale, doesn't have to be pretty. This is just to start us talking ...)* May we also suggest a couple or few **digital photographs** too please.

Hi. This is Rob Mislan, owner Versatile Grass. This first page is a typical helpful sketch. Just scroll over to the fresh page & when ready...
