HERE'S THE DISCUSSION:

The \$4.67 sqft price is for **grass supply only**, F.O.B. our Etobicoke or Mississauga pickup locations.

The **HSTax** is a required extra obligation collected on behalf of our Federal and Provincial Governments.

"FOR HIRE" Installation Services (may include delivery, crumb rubber top dressing, perimeter anchoring spikes, stadium grade seam tape and adhesive, experienced labour talent, and specialty tools) can be quoted separately as client may encourage.

This offer is valid only as long as the referenced bulk purchase inventory remains. Bulk purchase may include mixed dyelots and other non-prime quality specification testing issues.
