

SO GLAD YOU FOUND US! CANADA'S OWN SYNTHETIC REALISTIC GRASS INVENTORY & CLEAROUT SALE STORE

"We know it can be daunting to appreciate our grass over a computer screen, so I buried my fingers deep into our bestseller **GOLD THATCH 60 ULTRA**

Remember how darn good this felt when you see the **GOLD THATCH 60 ULTRA** pieces listed below

"Here's another close-up photo to help demonstrate the grass depth (1.75 inch) and fun texture of our **Gold Thatch 60 ULTRA**...

... and make special note of this unique 3rd geotextile backing layer. Enhanced drainage, and a superb weed and worm barrier!" -Rob

"This inventory of synthetic realistic grass is a collection of prime mill goods, augmented with opportunistic special clearout purchases: short rolls, mixed dyelots, mildly off spec or standard, end-of-season buys, or most often just simply retired styles offered 'as is' at deep discounted pricing. Certainly worth exploring. Good shopping!" -Rob Mislan
